Head of Unit  
Dr Andrew Cottam

Dear Ms Grayson

**GENETICALLY MODIFIED ORGANISMS (CONTAINED USE) REGULATIONS 2014**

On behalf of the Competent Authority, I acknowledge receipt of the significant change notification GM6/09.1a entitled: **“Investigation of in vitro and vivo cellular processes of Hazard Group 2 bacterial pathogens clinically relevant in the UK”** and payment via invoice for the sum of £734.00.

On receipt of this letter, you may only start class 2 work with genetically modified micro-organisms where you have previously obtained clearance for other class 2, 3 or 4 activities.

Regulation 14(1), 14(2) and 15(1) requires that the Competent Authority be kept informed of any changes to the notified details.

Please quote the above reference number if you need to contact HSE about this notification.

Yours sincerely

For Dr Maria Taraktsoglou  
Health & Safety Executive  
On behalf of the Competent Authority
